

College Preparation Checklist

10th Grade

- Start preparing for the PSATs by taking a [practice test](#) to see where you stand and where you might need to improve.

- Take the PSAT to help you qualify for National Merit scholarships and programs.

- Attend local and virtual career events.

- Start exploring possible college majors and minors that could help you meet your career goals.

- Stay in touch with your [Success Coach](#) to refine your goals and make adjustments to your academic path if necessary.
